

HISTORY

Freenex, is an associate company of LIFCO Group; UAE LIFCO was established over five decades ago and has successfully grown into a premier company leading, accomplishing leadership status in marketing, distributing, branded food products and manufacturing technical products with allied services. With dedicated service of over 3,000 staff members, the LIFCO Group and Associates have been consistently performing excellently in terms of growth and value. LIFCO Group with operations in the UAE, Lebanon, Oman, Qatar, and Far East countries, is exploring new challenges and opportunities around the region and the world.

Hypoallergenic

Antibacterial Formula

Freenex is a tissue paper converting company that supplies wide-ranging hygiene care products; for washrooms, kitchen and food services areas.

OUR VISION

At Freenex we manufacture Toilet tissue, facial tissue, folded towel, napkins and paper towel products. We are now servicing national accounts in Lebanon, and exporting to several Countries in Gulf Area, Africa and Europe. We could reach within short time of operation to be a flexible and innovative supplier of towel and tissue to toilet-facial kitchen, hospitals, hotels, restaurants, supermarkets, janitorial and food service distributors. We have advanced and automatic converting machines capable of making premium towel quality, jumbo roll tissue, center pull towel, Toilet tissue, folded towel and the exclusive extra Soft and sterile Facial tissue quality. We produce a manufacture all of private label to our different clients. Freenex product are Eco-Friendly products and produced with recycled paper to meet new environment requirements.
